

# Download Air Rifle Training Manual

The purpose of this training manual is to consolidate, in handy reference form, information on air rifle firing. This manual is designed to educate all persons within the Canadian Cadet Movement (CCM) about the air rifle and to ensure that all cadet corps/squadrons have an equal opportunity to learn marksmanship skills. It also

**AIR RIFLE PELLETS** The most popular pellet design is the hourglass-shaped air rifle pellet, commonly referred to as the diabolo. There are a number of variations on the basic diabolo design. For marksmanship and competition training, the wadcutter pellet is used.

**PART 1 AIR RIFLE TRAINING MANUAL SECTION 1 GENERAL** The purpose of this training manual is to consolidate, in handy reference form, information on air rifle firing. This manual is designed to educate all persons within the Canadian Cadet Movement (CCM) about the air rifle and to ensure that all cadet corps/squadrons have an equal opportunity to ...

**CANADIAN CADET MOVEMENT AIR RIFLE TRAINING MANUAL.** Has a lot of very good information .. Body position, sighting , breathing and much more..... A very good resource, especially for those who are new to the sport and may not have someone to help them along. I learned a few things and have bookmarked this one for future reference. Happy Shootin!
